

6. MY FAMILY - GOD'S GIFT

This is my family. It is a good family. My father and mother love me. They care for me. They give me food and clothes. They give me everything I need. They help me to learn my lessons and do my homework. They let me have fun. They teach me how to pray and be good.

Respect your father and your mother. (Exodus 20:12)

- I love my parents
- I will help them
- I will obey them

My brothers and sisters help me in many ways:

They help me to study well.
They go to school with me.
They play with me.
They love me.
